Family Support Worker: Natalie Rutledge

Dates For Your Diary

Thu 1 Apr: P&C Easter Raffle draw & last day of Tm 1
Fri 2 Apr: Good Friday Holiday & Easter break
Mon 19 Apr: First day of Term 2

Dear Cranleigh Families and Community,

I can't believe it is the end of term already, albeit a short one! The staff and students have had a highly successful term of teaching and learning with many good news stories shared throughout the term on a variety of platforms.

I would like to announce our Student Representative Council (SRC) for 2021, and thank them in advance for the important role they have as school leaders. As recently as last Tuesday their first official job was to welcome the Brumbies to our school! A proud moment indeed! They are:

Anumta

Jordy

Summa

Chaise

I would also like to announce our newly appointed school board members who will be contributing to our school community through their roles as parent and staff representatives for the next 2 years. They are Mary Lishomwa and Monika Mironov as parent representatives and Josh Leach as teacher representative. Thank you all for your expression of interest and congratulations on your successful nomination!

Commitment, Opportunity, Respect & Excellence

On a staffing note, I would like to say farewell to Natalie Rutledge, and on behalf of our community, we thank her for her commitment to the students, families and staff as she moved mountains for many of us with unwavering support and guidance. We wish Nat and her husband Robert well as they move to Albury and begin the next chapter of their lives. WE WILL MISS YOU!

Wishing you all a safe and happy holiday and a festive Easter!

Kylie

School Contact Reminder

Just a quick reminder to parents and carers, if you need to contact the school for any reason, we ask that you call the Front office on **61420444**, or send an email to the following address: **info@cranleighps.act.edu.au**

The above details will be received by our Administration Team, and this helps for your message to get through to the right person/area, especially in the case of staff absences. We thank you for your assistance in this matter.

WARRADHAA CLASS

Warradhaa has had a busy, engaging and fun start to 2021! We have been getting to know each other and form relationships with each other.

We have been working hard on communication and getting used to being at school for 5 full days a week. We find this a little exhausting at the moment! We love our story time for literacy, have a lot of fun with the Brumbies, enjoy our hands-on activities for numeracy and have been learning how plants grow in Science. While forming new school relationships, we have started learning about our own families in History. Each day we learn about our feelings and what strategies we can use to help us when we start to feel overwhelmed
